Bay of Islands (B,L,D)

The Bay of Islands is one of the world's most spectacular sailing destinations, so make sure you're on your verandah or the Observation Terrace as you arrive early this morning. With its unique sub-tropical climate, around 150 islands and thousands of postcard-perfect coves, this is a little slice of paradise on the North Island.

Scenic Eclipse II will anchor off the coast of Paihia, the first seaport in New Zealand, dating back to the early 1800s. Today it's famous for watersports, offering kayaking, fishing, parasailing, scuba diving, sailing and more. Nearby is the Waitangi Treaty Grounds, where the foundation document of New Zealand was signed in 1840.

Day 3

Fri, 06 Mar

At Sea (B,L,D)

After a restorative night of rest in your ultra-luxury suite, take some time to explore the ship and familiarise yourself with all the areas on board. Visit the Sky Bar and outdoor Vitality pool on Deck 10.

Step into the tranquil Senses Spa# on Deck 6 with its steam rooms, saunas, plunge pool and KLAFS Salt Therapy Lounge. Take in the view through the Swarovski telescopes on the Observation Terrace, then stop for a coffee or a cocktail at one of the truly all-inclusive bars and lounges on board.

Day 4 Sat, 07 Mar	Norfolk Island (B,L,D) Roughly halfway between New Zealand and Australia, this tiny island is an outlying self-governing Australian territory with a tumultuous past. Claimed by Captain James Cook for the British in 1774, it was settled as a convict colony in 1788 and became known as Hell in the Pacific. In 1855, Queen Victoria gave the island to the descendants of the Bounty mutineers, who had outgrown their home on Pitcairn Island. Today, Norfolk remains a wild place, with dramatic landscapes, towering pines and pounding surf. Perfect for relaxation and exploration, you'll discover a charming small town with rich history. Explore World Heritage-listed ruins and the gorgeous St Barnabas Chapel.
Day 5 Sun, 08 Mar	At Sea (B,L,D) Today, enjoy some relaxation at sea. Join your new friends over a meal at the Azure Bar & Café with beautiful indoor and outdoor seating. The wildest of the Loyalty Islands, it is a place of dramatic cliffs, dense forests and impressive rocky headlands. In between, the coast is ringed with white sand beaches fringed with coconut palms and turquoise waters. There is excellent snorkelling straight off the beach, with pristine corals and brilliantly coloured fish. For adventures onshore, there are glorious clifftop hikes offering spectacular views.
Day 7 Tue, 10 Mar	Tanna Island, Vanuatu (B,L,D) Look out for smoke in the air as you approach Tanna this morning. Mount Yasur is regarded as the world's most accessible active volcano, regularly shooting sparks into the sky. Captain James Cook first observed ash eruptions in 1774, and the mountain is considered a sacred area by members of the island's John Frum Cargo Cult, who believe their deity resides inside. Be welcomed ashore by the community as you listen to the women's choir and watch local performances. Visit Mount Yasur, walk up a trail up to the rim and peer into the fiery depths of the volcano's crater.
Day 8 Wed, 11 Mar	At Sea (B,L,D) After a couple of days of exploration, the day is yours to spend exactly as you wish. Perhaps ask the butler for breakfast in bed, or enjoy a quiet morning spent on your sumptuous verandah to soak in the tropical sun. Stretch out in a gentle yoga or Pilates class or cool off in the Vitality pool. This afternoon, try the private cabanas on Deck 10 or the comfy chairs in the Observation Lounge in Deck 5, where you'll be enchanted by the endless horizons of the ocean from the panoramic glass windows.
Day 9 Thu, 12 Mar	Port Denarau, Viti Levu Island, Fiji (B,L,D) Discover the vibrant Port Denarau on Fiji's main island, Viti Levu. This is the gateway to Fiji's most stylish resorts and the stunning Mamanuca and Yasawa Islands. Day 12
Sun, 15 Mar

Savusavu (B,L,D)

Immerse yourself in the natural beauty of Savusavu, set on the southern coast of the island of Vanua Levu. The nation's second largest island is largely off the radar of mass tourism and is renowned for its lush jungle, pristine waters and strong traditional culture. The snorkelling and diving here are some of the best in Fiji, with the exceptional Namena Marine Reserve just offshore from Savusavu. Relax on one of the secluded beaches fringed by swaying palm trees, go in search of dolphins in Natewa Bay, explore the mangroves of the Salt Lake by kayak or stand-up paddleboard, and pick up unique souvenirs crafted by local artisans.

Scenic Eclipse II will likely be the only cruise ship in this remote paradise. The Lau Group is made up of 57 islands scattered across the west of Fiji, famous for its untouched beauty and vibrant marine life. Snorkel among colourful coral gardens teeming with tropical fish, paddle on the calm waters in a kayak or stand-up paddleboard. Alternatively, simply relax on a secluded sandy beach. Whatever you decide to do, you'll feel the tranquillity of this hidden sanctuary, surrounded by breathtaking vistas and serene seascapes.

Day 14
Tue, 17 Mar

Neiafu, Vava'u, Tonga > Cross International Date Line > Alofi, Niue (B,L,D)

Tonga is made up of more than 170 islands divided into three groups – the Vava'u archipelago is the most northerly, consisting of around 40 coral islands. It's a captivating combination of lush vegetation, sandy beaches, abundant marine life and underwater caves, making it one of Tonga's most popular tourist destinations.

The flat-topped Mount Talau towers over the main island, offering spectacular panoramic views. Experience local traditions, like weaving mats from the leaves of the pandanus tree, producing noni juice and the extraction of vanilla essence.

Cross International Dateline

Today you will become a time traveller - Scenic Eclipse II will cross the International Date Line, an imaginary line of demarcation that runs from the North to the South Pole, located roughly along the 180th meridian in the Pacific Ocean. As we are crossing from west to east, you will repeat the day once more.

Enjoy a celebration of the crossing with the Captain and crew as a nod to ancient maritime traditions and a light-hearted appreciation of the marvels of time and travel.

Step ashore today in one of the smallest countries in the world. The tiny island nation of Niue is home to less than 2,000 people and is a slice of the South Pacific as it used to be. The island was first settled by Polynesian sailors from Samoa in the 10th century. Captain Cook sighted the island in 1774 but was refused permission to land, though many missionaries made it ashore in the following centuries – look out for the many churches.

Niue is ideal for hiking, with dramatic coastal paths leading along steep cliffs and into hidden caves. Swim or snorkel at secluded beaches where you won't see another traveller all day.
